## Richmond Future Land Use Workshop

What Do You Want YOUR Community to Look Like in 10-15 Years?

There were some lively discussions on October 21 at our Comprehensive Plan Future Land Use workshop. To create a vision for desired future land uses, we put together a draft future land use map (below). A future land use vision will also satisfy state requirements to enable us to make any future zoning ordinance revisions and to continue to be eligible for many state grants.

Please join us for another Future Land Use Workshop on **Tuesday, November 17, from 6:30 to 8 p.m.** at Marcia Buker. Refreshments will be provided, and more importantly, you will have input into our Comprehensive Plan, which sets a 10-15 year vision for our community! Don't miss this opportunity for input.

For more information, please contact Victoria at 737-4305 x 331 or [director@richmondmaine.com].

## Tax & Assessing

### Tax Information

Just a reminder: tax bills are out! The first half is due November 10th. Interest starts on November 12th. Thirty to forty-five (30-45) impending foreclosure notices will be going out in December for the 2014 taxes. All tax bills are mailed to the owners as of April 1st. If you sold your property after April 1st you can forward the tax bill to the new owner. Property data card information can be found at: <http://gis.vgsi.com/richmondme/>. If you have any questions or concerns regarding your assessment, please call Laurisa at 737-4305 ext. 208 to schedule an appointment to meet with our assessor.

New homeowners: make sure you apply for your Homestead Exemption. After you have owned your principal residence for one year you are entitled to \$10,000 off the valuation of your property.

### Tax Club Information

The tax payment plan benefits the taxpayer by relieving the purpose of dual lump sum payments and enabling one to budget those obligations out over a 12 month period as well as avoiding interest charges. This in turn benefits the Town by creating a more predictable cash flow. If you have further questions or would like to learn about the tax club, please contact Laurie Boucher at 737-4305 x 202 or [taxcollector@richmondmaine.com](mailto:taxcollector@richmondmaine.com).

## Winter Reminders

If you are replacing your mailbox or post, keep in mind that the best height for your mailbox is between 45 and 48 inches from the ground, and should be off the road enough that the carrier can access it and the plow will not hit it. Please make sure your child's basketball hoops are removed from the roadways.

Winter sand is available for Richmond residents at the Highway Garage. Sand is limited to two buckets per household per storm.

## OPENINGS ON THE APPEALS, PLANNING, NEW MILLS DAM & COBBOSSEE WATERSHED

Contact the Town Clerk, Sharon Woodward at 737-4305 ext. 201 for more information.

## Holding Area Update

The Richmond Transfer Station located on Lincoln Street is open from 9:00a.m.-3:00p.m. every Saturday and 12:00-4:00p.m. every Wednesday from November-April. **(Don't forget you can drop off your holiday trees at no charge!)**

Also located at the Richmond Transfer Station is Single Stream/Zero-sort Recycling for Richmond residents only. **Please No** plastic bags/film, plastic grocery bags, stretch wrap, Styrofoam. No foam packaging, ceramics, window glass, mirrors, light bulbs or dishes. Hard, brittle plastic is not acceptable (i.e. monitors, keyboards, some children's toys.)

**The Universal Waste Station is located at the Transfer Station.** The Universal Waste Station accepts TV's, fluorescent lights, etc.

Please visit: [www.richmondmaine.com](http://www.richmondmaine.com) for more information on acceptable types of wastes. You can purchase a dump sticker right at the Transfer Station or at the Town Office.

The annual fee for the holding area is \$10.00 for residents, \$15.00 for Dresden and Pittston residents and \$30.00 for commercial haulers. You can also purchase additional stickers for your household at \$2.00/each. **NO ENTRY PERMITTED WITHOUT A VISIBLE CURRENT STICKER.**

## Hathorn Building Sold-Redevelopment Begins

*New Hathorn Building owner Les Fossel*

As of October 13 Fossel Preservation Partners, LLC officially owns the property at the corner of Main and Front Streets, known as the Hathorn Building. Here is an update from Fossel Preservation Partners on their progress as of this printing:

- The financing is in place to restore the exterior of the building (brickwork & windows).
- Trash has been removed from the interior.
- The electricity is on - the construction wiring will begin in early November.
- The staging for repointing the brick will go up in early November and the mason is expected to be on site shortly thereafter.
- The windows for the upper 4 ½ stories have been measured and ordered.
- The ramp for access across the alley to the 3rd floor door is being built.
- There will be a tag sale, for the benefit of a local charity, for the contents of the building that have value and are not going to be used in the restoration.

## From the Finance Office

We are looking to put a list together of all Richmond taxpayers so if we need to contact you for any reason we will have that information. Please email Laurie at [taxcollector@richmondmaine.com](mailto:taxcollector@richmondmaine.com) or 737-4305 x 200 and include your name, map & lot and/or account #, address, phone # and email address.

We are looking to put a list together of all local organizations to put on the town website. Please email Laurie at [deputytreasurer@richmondmaine.com](mailto:deputytreasurer@richmondmaine.com) or 737-4305 x 200 and include the organization name, contact person, phone # and email address.

We are looking to update our landlord list that is on the Town's website. Please email Laurie at [deputytreasurer@richmondmaine.com](mailto:deputytreasurer@richmondmaine.com) or 737-4305 x200 and include your name, contact person, phone # and email address.

## Online Dog Licensing

You can register or renew your Dog License online! All dog renewals must be completed by January 31, 2016. If you are licensing a wolf hybrid, service/search or rescue dog or obtaining a kennel license, please contact the town office.

What you will need:

- Credit Card
- License/Tag number (Renewal only)
- State of Maine Rabies certificate
- Veterinarian's name and phone number
- Spay or Neuter Certificate (if your dog has been fixed)

Dog licenses are available for 2016. \$11.00 for non-neutered, \$6.00 for spayed/neutered. Bring your current rabies and neutering certificates. After January 31 there is a \$25.00 late fee.

## News from the Library

Our Children's Story Hour Halloween Party was held Wednesday morning October 28. We had 18 little guys and girls in adorable costumes running around playing games and eating lots of goodies. Thanks to all the people who brought the goodies in. We all had a great time.

Two new things are happening at the library this month. One will be a new Story Hour for school aged children. We find that they are missing their old story hour. We have two very nice ladies who have stepped up and offered to do this story hour. Katelyn Lavalley and Missy Dore will be hosting the program on Tuesdays starting November 3, from 4:30-5:30p.m. For more information you can call the library, or contact one of the girls.

The second thing is a LEGO Club. We have been trying to put this together for months! As you all know Legos are incredibly expensive and it takes quite a while to get enough together for a club. We don't have a huge amount of Legos, but we feel that we can at least start out with what we have. The Lego Club will be on the first Monday of every month from 6:00-7:00p.m. These hours may change depending on the outcome of the first meeting and suggestions from everyone will be helpful in setting the regular hours. The first meeting will be Monday November 2 from 6-7p.m. This meeting will have door prizes, and goodies to eat. Lego club rules are as follows:

1. **You must be of Kindergarten age or older and accompanied by an adult.**
2. **Please no running around or loud voices.**
3. **Show respect for others and their creations.**
4. **Please leave your own Legos at home.**
5. **Please do not take the library Legos home.**
6. **No food unless provided by the Library Staff on special occasions.**
7. **Drinks are allowed, but must be in spill proof container.**
8. **Always help clean up at the end of the night.**

## Code Enforcement Update: James Valley

Radon is the second cause of lung cancer. High levels of Radon gas occur naturally in Maine soil and water, and can move up into a house from the ground. Any house can have a radon problem. It doesn't matter if it's old or new or where it's located. The only way to know if your house has a problem is to test. You can test your air and well water with a simple test kit purchased from Maine registered testing labs or you can hire a registered Radon tester. To find out where to buy test kits or to hire a registered tester visit: [www.maineradiationcontrol.org](http://www.maineradiationcontrol.org) or call 1-800-232-0842.

## News and Updates from the Richmond Fire Department

### House Numbers on Mailboxes and Homes

Recently we have had some night time calls or calls near dusk where it was difficult to determine the number of each house on the street where the call was located. Because of this, I would like to remind all residents of Richmond to please make sure to put your house number on both sides of your mailbox, and on the side of the home facing the road using reflective numbers. This will make sure any emergency service responders can find your house no matter which direction they are traveling to get there, and we can be certain that we are at the house that needs our assistance.

### Chimney, Wood Stove, and Pellet Stoves

As we get into the heating season there are a couple of topics I wanted to address from the fire department perspective. First, if you heat with wood please make sure to clean your chimney regularly and have it inspected by a chimney professional. Both of these items will help prevent chimney fires from starting.

The second related item I wanted to address is the subject of wood stove, pellet stove, and chimney inspections for insurance purposes. I have been asked about these recently so I wanted to let everyone know that the fire department and the code enforcement officer are not certified to perform these inspections. To find a professional that performs these inspections please search for certified stove installers or certified chimney inspectors on the internet and find someone locally to perform the inspection you need.

### Holiday Season/Christmas Tree Safety

As we approach the holiday season, we ask that you keep safety in mind when decorating your homes with lights, trees or other decorations. According to the National Fire Protection Association (NFPA), each year fire departments across the country respond to an average of 230 house fires started by Christmas trees resulting in an average of 6 deaths, 22 injuries, and \$18.3 million in direct property damages. To help prevent these types of fires please make sure that you provide your Christmas trees with plenty of water and keep the tree away from all heat sources. For more information and safety tips, you can go to the NFPA web page related to Christmas tree fires at: [www.nfpa.org/safety-information/for-consumers/holidays/christmas-tree-fires](http://www.nfpa.org/safety-information/for-consumers/holidays/christmas-tree-fires).

We wish you and your family a happy and safe holiday season and thank you for your continued support.

Matt Roberge, Fire Chief

Have you added a wood-stove, pellet stove, or made any improvements to your home? Now is a good time to review your homeowner's insurance policy to make sure you are covered.

## Senior Notes for Senior Folks

314 Front Street \* 737-2161 \* [seniordirector@richmondmaine.com](mailto:seniordirector@richmondmaine.com)

As we approach the upcoming winter months, we find ourselves reflecting on this year and how quickly time passes. In September of this year, The Golden Oldies Senior Center celebrated its 10th Anniversary. Ten years since the inception of a space for Richmond Seniors to congregate, socialize, and play games. In 2005, The Golden Oldies Senior Center was established, meeting in the Town Office. For the past 7 years, thanks to the Nash Family and the Town of Richmond, the Center is down on Front Street, and on Monday, Tuesday and Wednesday, you can hear the sounds of fun and laughter billowing through the doors, as it should be.

Four our 10th Anniversary we celebrated with an Open House and silent auction. With the help of donations from the merchants in Richmond, we were able to raise \$420.00. This money will help defray the costs expected in our heating bill this coming season and the Holiday Baskets we give to a needy family in our area. We enjoy sharing and giving back to the community in many ways, from visiting the house bound, giving rides where needed and even lending a hand to our schools. We held our first Calendar Supper in October, lots of fun and a chance to socialize with friends. Susan & John Campbell are our Chefs, donating their time doing an incredible job. And of course our annual "Haunted House" was a huge success, thanks to a great group of local people who gave up so much time and money to make it happen. We could not survive without the help of our generous community. We are extremely grateful for the community of Richmond.

Upcoming events include cooking classes, calendar making, a Thanksgiving Centerpiece Class, Clothes Swap Saturday and always Cribbage, Bingo and Game Day! We welcome anyone and everyone to join in the fun. The end of November brings a "Senior Center Summit," a meeting with area Senior Center Directors to exchange concerns of their seniors and ideas to improve the quality of life for all our seniors. We hope this collaborative effort will result in upcoming programs to aid our seniors. Stay tuned...

In December, we will be serving hot chocolate and cookies for the Christmas Tree Lighting in the Park. We will also be enjoying a Christmas Boxwood Tree making class and Tracy's candy making class. Shopping for an adopted family for Christmas is great fun and very satisfying to know we can help someone else.

Of Course the FIRST MONDAY of EVERY month is a delicious fundraising breakfast, for just \$6.00; can't beat it.

Our calendars are always posted on the Town of Richmond website or you can pick one up on the doors of the Senior Center. The Golden Oldies Senior Center is a for all seniors to use and enjoy. Just a reminder...the door is always open Monday-Wednesday: 10:00a.m.-3:00p.m....Stop by, coffee is always on.
