

COMMUNITY CITIZEN AWARD

Enterprise Grange #48, Richmond, has been presenting local citizens with The Community Citizen Award for 21 years. The Award goes to an individual who is not a Granger, or a group such as Legion Post and Auxiliary Unit #132, with Grangers as members of their groups.

Our next Awards Day will be May 5th at 3:00. Guests are invited to take part and share stories about the recipients.

The recipients' names are not kept a secret because we want family and friends to share in the good news and celebrate with us. Light refreshments are served with a time to visit after the ceremony.
