

Swan Island - An Island in Time - It's in your Backyard!

Have you ever said "I've lived in the area for a long time and never been there!" or "I was always curious about the island."

What are you waiting for? Swan Island Wildlife Management Area is easily accessed with your own canoe or kayak from the landing in downtown Richmond. Paddle across, deposit your day-use fees in the collection box and explore the beauty and wildlife it offers.

Busy or Just Procrastinate?

At least learn more about the island by visiting our website www.maine.gov/swanisland or see what's happening by becoming a friend on Facebook.

Want to get involved?

Friends of Swan Island (FOSI) is looking for new members. Join this dedicated group of folks in focusing on its mission "to stabilize, restore and maintain the historic homesteads on Swan Island and to insure their future maintenance, use and function as integral parts of Swan Island in its role as a National Public Treasure."
